Your feedback is very important. Survey data will be used to develop a greater understanding of our member's trends and practices, assisting us in providing high quality programs. Your responses will be used to guide and shape future continuing education ideas and activities, and to track the evolution of FLA member needs over time.

The brief survey should take no more than about 15 minutes to complete and will remain open until **April 14, 2017**. The Continuing Education Committee will then disseminate results to the FLA community after the annual conference in May 2017.

Thank you in advance for your participation!

Chair, FLA CE Committee
