Dear Board of Directors:

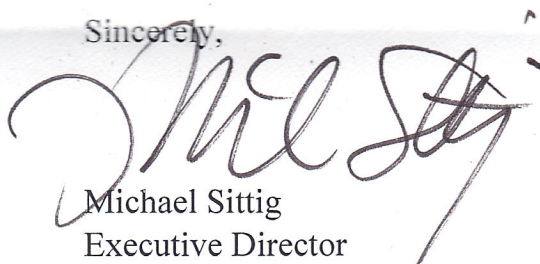

Thank you for asking the Florida League of Cities (FLC) to endorse your recently revised standards. It is a privilege to be part of this important process.

On behalf of the FLC's board of directors, I am pleased to provide this endorsement. It is encouraging to see the advances in benchmarking being made within libraries across the U.S. Florida's municipal libraries will benefit from the many additions you have made to the standards. I wish you every success in your implementation.

We appreciate the assistance of Executive Director Martina Brawer in our review of the materials.

Again, thank you for including the FLC in your review process.

Sincerely,

Michael Sittig
Executive Director
