Category: FLA Training and Informational Webinars

---

Title: Information Literacy Assessment & Advocacy Project (ILAAP)

Organizer: Florida Library Association

Co-organizers: Jacalyn Bryan, Mark Marino

Register: [HERE](#)

#### Description

The Information Literacy Assessment & Advocacy Project (ILAAP) is an assessment tool designed to investigate the information literacy skills of first and second-year post-secondary students.

<http://ilaap.ca/>.

ILAAP has developed a validated assessment test bank for information literacy. It has a CC license and can be customized for local use. They can also provide free access to their online tool (WASSAIL) with technical and administrative support, for schools that want to participate.
