### **Thanks for supporting FF&B Workshops!**

Regional workshops for library supporters help build Florida's library community. The Florida Library Association is pleased to coordinate these workshops. In the past, workshop expenses were offset by a grant from the State Library and Archives. With grant funds no longer available, your registration fee helps make these workshops possible.

These workshops would not be possible without the volunteer contributions of FF&B Member Group Chair Barbara Correll and Vice Chair Deborah Hohler of Friends of Fort Lauderdale Libraries and Claire Hauenstein of Friends of South County Regional Library, Estero (Lee County).

### **Join the Florida Library Association!**

You can be a member of FLA even if you don't work in a library. Friends' members, library supporters and other individuals can join FLA for just \$30 per year. Your Friends of the Library group can become an organizational member for \$100. Join now and receive a membership for all of 2009. See the FLA web page [www.flalib.org](http://www.flalib.org) and click on "Join Us."
