“I come here to do my college work. It is always quiet and there are a lot of resources to use for research papers. The staff is friendly and helpful. The library itself is calming to me because it has nature trails with ducks to feed when I need a work break.”

“I enjoy coming to the library because the resources that are available especially as it relates to technology are outstanding. As a card holder you have access to a wealth of free training programs (both online & in class) that you may not have access to without having a library card.”

Orange County

My family truly loves coming to our local Wewahitchka Library. We like being able to borrow movies and books. The deal we have is they read a book then they can choose a movie. My children also enjoy the craft club. Ms. Beulah, Ms. Sharon, and Ms. Marcy are true gems.

The law library gives me access to legal materials that are not readily available elsewhere.
