

Library Innovation Award

Purpose:

To recognize a Florida library that has displayed innovative methods, projects, products, or organizational enhancements, such as using current and emerging technologies for library processes or information service delivery.

Eligibility:

Any creative or innovative program, activity, or service will be considered. Both nominator(s) and nominee must be current members of the Florida Library Association.

Criteria:

Program or initiative that is an innovation in library service, programming, etc.

Significantly benefits employees, library patrons, library operations, or the community-at-large, or the campus served.

Program or initiative can be replicated in other libraries.

	4	3	2	1
Program or initiative that is an innovation in library service, programming, etc.	Program or initiative is an innovation in library service, programming, etc. Has received awards or recognition nationally or locally multiple times (news, journals, grants, conference announcements, etc.).	Program or initiative is an innovation in library service, programming, etc. Has received local or national recognition once or twice.	Program or initiative is an innovation in library service, programming, etc., but may have received no recognition.	Unclear whether program or initiative is an innovation in library service, programming, etc., because there is not enough evidence to determine.

<p>Significantly benefits employees, library patrons, library operations, the community-at-large, or the campus served.</p>	<p>Program or initiative significantly benefits employees, library patrons, library operations, the community-at-large, or the campus served; includes personal thank-you documents and/or statistics and assessments that analyze the program's success in submission package.</p>	<p>[Intentionally left blank]</p>	<p>Program or initiative somewhat benefits employees, library patrons, library operations, the community-at-large, or the campus served.</p>	<p>Program or initiative does not appear to benefit employees, library patrons, library operations, the community-at-large, or the campus served, or not enough information provided to determine.</p>
<p>Program or initiative can be replicated in other libraries.</p>	<p>Project can be easily replicated or modified for use in other locations.</p>	<p>[Intentionally left blank]</p>	<p>Project cannot be easily replicated or modified for use in other locations due to resource requirements (i.e., financial, staff, space, etc.).</p>	<p>Project cannot be replicated or modified for use in other locations.</p>
